

## Make your own Skittles Game

**Step 1.** Gather your materials. You will need 6 toilet roll tubes and some coloured pens. You could also use pieces of coloured paper if you would like.

**Step 2.** Use the coloured pens and paper to decorate the toilet roll tubes. You can do this however you would like.

**Step 3.** You have finished your skittles, You can use any ball that you have at home to play the game with. If you don't have a ball try scrunching up some newspaper and wrapping sticky tape around it.

**Don't forget to share what you have created with us #SpikeDinosAdventures**
