

Make your own Paper Plate Rainbow

Step 1. Gather your materials. You will need a paper plate, scissors and coloured pens or pencils.

Step 2. Cut the paper plate in half then cut a semi circle out of the flat side to create the rainbow shape.

Step 3. Use the coloured pens or pencils to colour in the rainbow. The colours are Red, Orange, Yellow, Green, Blue, Indigo and Violet.

Step 4. You have finished your rainbow. Why not put it in your window and don't forget to share with us what you have created **#SpikeDinosAdventures**
