# Make your own Paper Plate Fox

**Step 1.** Gather your materials you will need, a paper plate, coloured pens, scrap card, glue and scissors.

**Step 2.** Fold the sides of the plate in to create a point, and glue down, see picture.

**Step 3.** Colour the top of the paper plate, see picture.

**Step 4.** Cut out some ears, eyes and a nose from the scrap card and stick them onto the fox.

# Make your own Paper Plate Fox

**Step 5.** You have finished your fox, don't forget to share what you have created with us **#SpikeDinosAdventures**
