The worksheet is designed to look like a collection of papers and a spiral notebook. At the top left is a large square with a thick black border and a paperclip in the top-left corner. To its right is a spiral-bound notebook with a thick black border and a spiral binding on the right side. The notebook has two pages visible. The top page has the text "I shared my Arts Award booklet with:" followed by three horizontal dashed lines. The bottom page has the text "What I enjoyed most about completing my Arts Award is:" followed by three horizontal dashed lines. A large, thick black arrow points from the spiral notebook towards the large square. Below the spiral notebook is another spiral-bound notebook, also with a thick black border and a spiral binding on the right side. It has two pages visible. The top page has the text "Comments my family and friends have made about my artwork:" followed by two horizontal dashed lines. The bottom page has the text "What I learnt whilst completing the award:" followed by two horizontal dashed lines. A large, thick black arrow points from the spiral notebook towards the large square. On the right side of the worksheet, there is a cartoon pencil character with a smiling face, wearing a white shirt, and holding a large, thick black arrow that points towards the large square. At the bottom of the worksheet, there is a large, thick black banner with the text "WELL DONE! You've completed your Arts Award Discover." and a large, thick black arrow pointing towards the banner.
