

# Instructions for making a St Georges Day Dragon

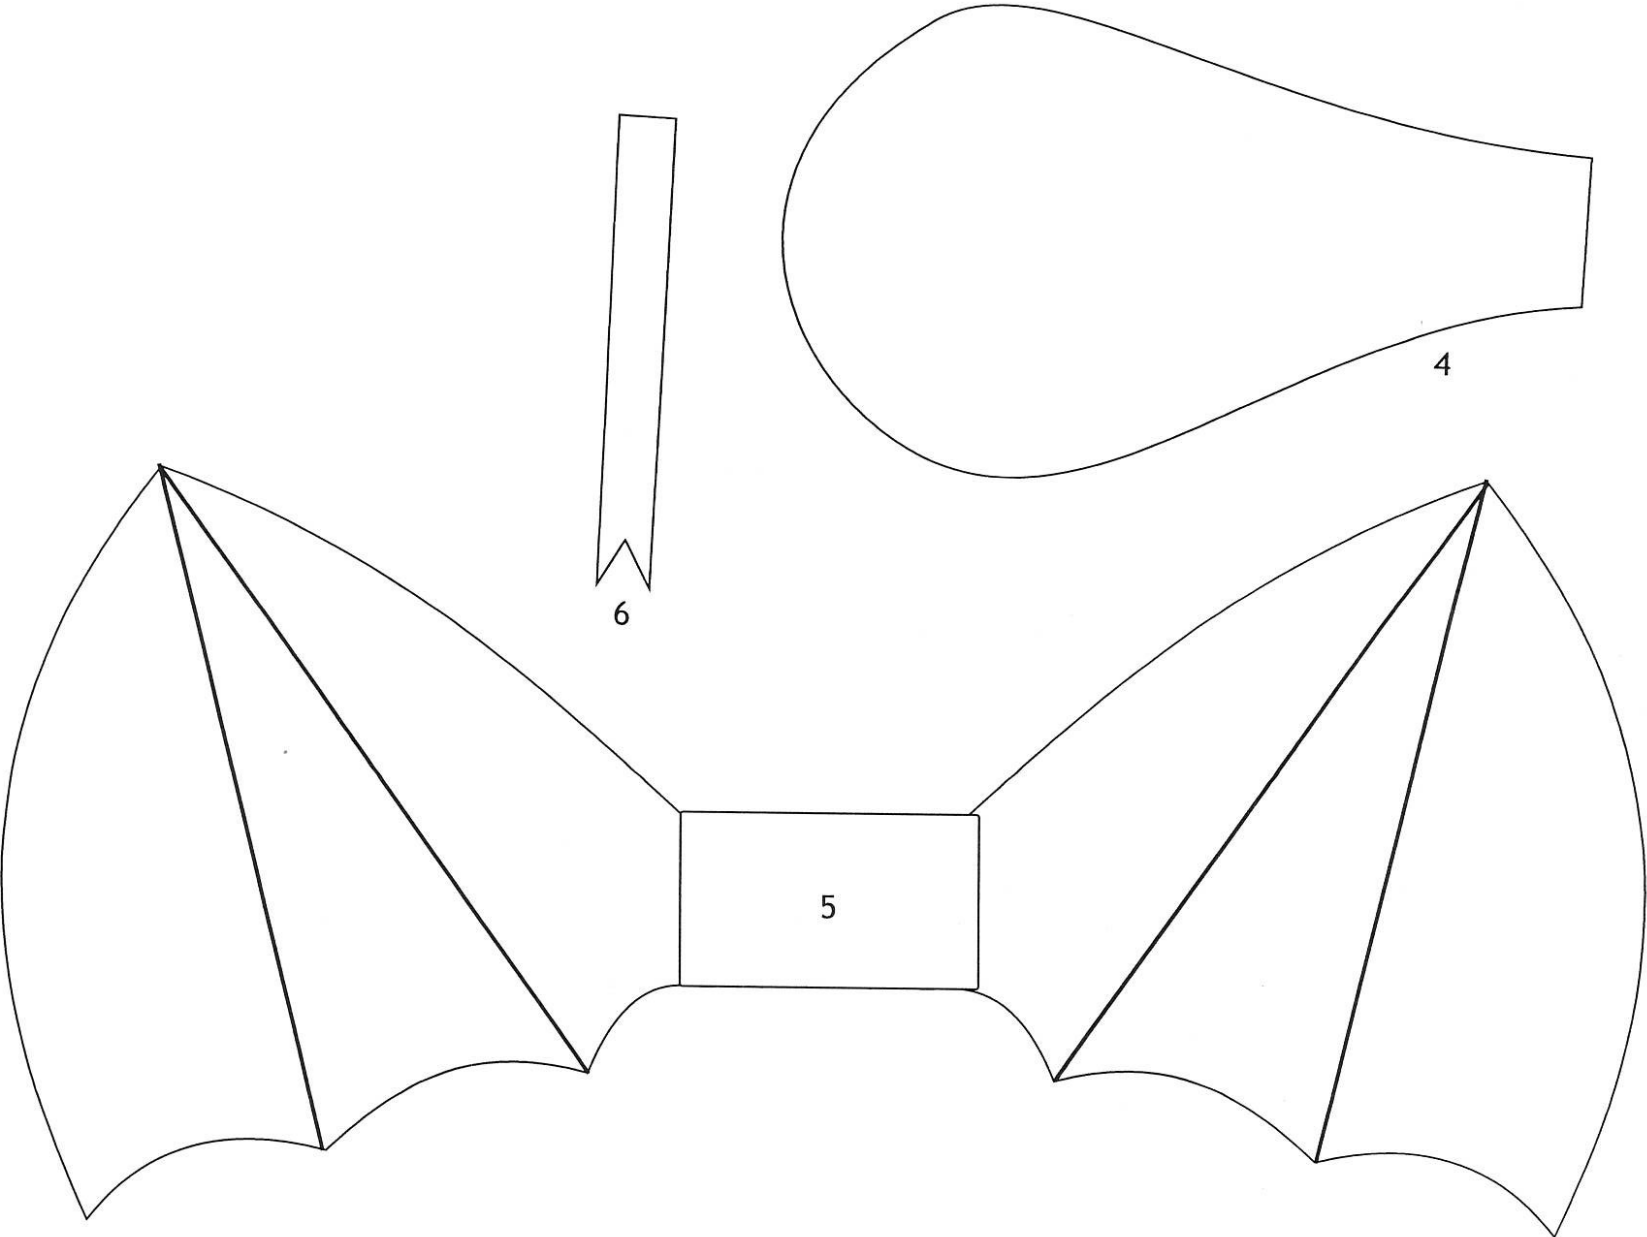

1. Print the following two pages onto card or thick paper, use 2 colours or print on white and colour it yourself.
2. Cut out the pieces from your 2 sheets of card. Colour piece 6 red.
3. Glue piece 6 to piece 1. (tongue onto head)
4. Glue piece 1 to piece 4 (head to chest)
5. Glue piece 4 (chest) to piece 2 (rectangle)
6. Roll the rectangle into a tube and secure with glue or tape.
7. Attach piece 3 to back of tube and bend round—these are the dragons feet.
8. Glue pieces numbered 7 the front of the dragon—these are his arms.
9. Finally attach the wings (piece 5) to the back of your dragon.
10. Well Done - you have finished your Dragon.
