

# Make your own Butterfly

**Step 1.** Gather your materials, you will need 2 pieces of card, coloured pens, a pencil, glue and scissors.

**Step 2.** Cut a butterfly out of one of the pieces of card.

**Step 3.** Cut 4 small strips out of the other piece of card.

**Step 4.** Roll the strips of card into small tubes, stick them together then stick them onto the butterfly to create the body.

# Make your own Butterfly

**Step 5.** Use the coloured pens to add decoration and details to your butterfly.

**Step 6.** You have finished your butterfly, don't forget to share what you have created with us
