

Make your own Toilet Roll Car

Step 1. Gather your materials.
You will need, a toilet roll tube,
scrap card, scissors, glue and
coloured pens.

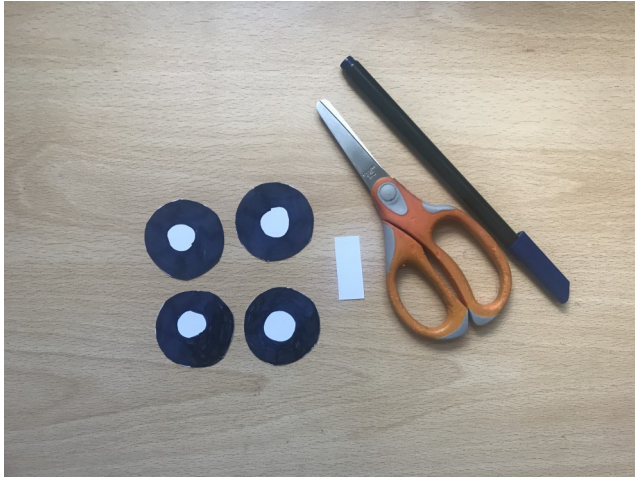

Step 2. Colour the toilet roll tube
in using the pens.

Step 3. Use the scissors to cut a
square in the tube, only cut along
3 sides. Then fold it over, see
picture.

Make your own Toilet Roll Car

Step 4. Use the scrap paper to create 4 tyres and a rectangle for the window.

Step 5. Use the glue to attach the wheels and window to the tube. See picture.

Step 6. You have finished your car.
