# Make your own Egg Box Caterpillar

Step 1. Gather your materials. You will need, an egg box, scissors, glue, scrap paper and coloured pens.

Step 2. Cut the lid off of the egg box, then cut the box down the middle long ways. See picture.

Step 3. Use the pens to colour and decorate the caterpillar.

Make your own Egg Box Caterpillar

Step 4. Us the scrap paper to make some eyes, then use part of the box to make the feelers for the caterpillar.

Step 5. Stick them on to the face of the caterpillar.

Step 6. You have finished your caterpillar.
