

Make your own Frog Cup and Ball

Step 1. Gather your materials, you will need a toilet roll tube, scissors, sticky tape, glue, string, card and coloured pens.

Step 2. Use the pens to colour in the toilet roll, then use the tape to tape one end together. See picture.

Step 3. Cut out some eyes, legs and arms from the card, then colour them in. Use the glue to attach the eyes and the tape for the arms and legs.

Step 4. Make a fly out of the card and colour it in, then use the tape to attach the fly to the string.

Make your own Frog Cup and Ball

Step 5. Use some tape to attach the end of the string inside the frogs mouth.

You have finished your frog cup and ball. Don't forget to share with us what you have created **#SpikeDinosAdventures**
