

Make your own Egg Box Dragon

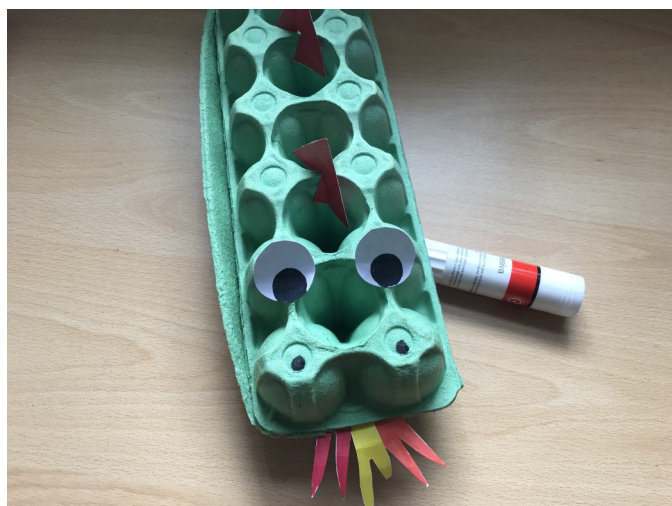

Step 1. Gather your materials.

You will need, an egg box, card, glue, scissors, and coloured pens.

Step 2. Use the card and coloured pens to create some eyes, fire and some triangles for the back. See picture.

Step 3. Use the glue to attach the eyes, fire and triangles to the egg box. See picture.

Make your own Egg Box Dragon

Step 4. You have finished your dragon.

Don't forget to share what you have created
