

Make your own Easter Card

Step 1. Gather your materials, you will need a piece of card, some coloured scrap card, a pencil, glue, coloured pens and scissors.

Step 2. Start by drawing and cutting out a rabbit from one of the scrap pieces of card. See picture.

Step 3. Use the glue to stick the rabbit on to the piece of card.

Step 4. Fold a piece of scrap card in half and then cut a carrot shape out of it. Make sure to not cut the folded edge.

Make your own Easter Card

Step 5. Use the glue to stick the carrot on to the piece of paper, see picture.

Step 6. Use the coloured pens to add detail and decoration on to your card. Don't forget to add your Easter message.

Step 7. You have finished your card, don't forget to share what you have created with us **#SpikeDinosAdventures**
