

## Make your own Ancient Egyptian Mask

**Step 1.** Gather your materials, you will need, coloured card, elastic, scissors, glue, a pencil and coloured pens.

**Step 2.** Draw around the mask template attached and cut it out.

**Step 3.** Draw and cut out the blue shape in the picture, this will become the hair. Then cut out some strips of yellow card.

## Make your own Ancient Egyptian Mask

**Step 4.** Use the glue to stick the hair and yellow strips on to the mask, see the picture.

**Step 5.** Use the coloured pens to add detail to your mask.

**Step 6.** You have finished your mask.

Don't forget to share what you have created with us
