

# Make your own Fox Mask

**Step 1.** Gather your materials, you will need, orange card, white card, scissors, glue, a pencil, a black pen and some elastic.

**Step 2.** Draw around the mask template attached and cut it out.

**Step 3.** Cut some ears from the orange card, these are big triangle shapes. Then cut out some whiskers and small triangles for the inside of the ears. Cut a nose out of the card and colour it in black.

# Make your own Fox Mask

**Step 4.** Stick the ears, whiskers and nose onto the mask using the glue.

**Step 5.** Use the pen to add any detail you would like to the mask. You will need to make a hole on each side of the mask to attach the elastic.

**Step 6.** You have finished your mask.

Don't forget to share what you have created with us
