

Make your own Fox

Step 1. Gather your materials. You will need a toilet roll, scissors, coloured paper, coloured pens, glue.

Step 2. Use the pens to colour in the toilet roll.

Step 3. Fold the top of the toilet roll down to create the ears of the fox.

Step 4. Use the paper to create a face for your fox and stick it on.

Step 5. Use the coloured paper to create a tail for your fox and stick it on.

Step 6. You have finished your fox. Why don't you share what you have created with us **#SpikeDinosAdventures**
