

Make your own Paper Bird

Step 1. Gather your materials you will need 2 pieces of card, a pencil, scissors, glue and some scrap card.

Step 2. Draw and cut out a simple bird shape.

Step 3. Use the scrap card pieces to decorate your bird.

Step 4. Make a small cut at the top of your bird, then fold the other piece of card in a concertina, make sure to do this long ways.

Make your own Paper Bird

Step 5. Put the concertina piece of paper through the small slit at the top of the bird to create the wings.

Step 6. You have finished your bird, don't forget to share what you have created with us
