

Make your own Ring Toss Game

Step 1. Gather your materials. You will need 5 paper plates, scissors, sticky tape, coloured pens and a long cardboard tube.

Step 2. Cut the centre out of 4 of the plates to turn them into the rings, then use the pens to colour them in.

Step 3. Use the scissors to cut strips into the cardboard tube, about 5 cm long. Then fold them out as you see in the picture.

Step 4. Use the sticky tape to attach the cardboard tube to the paper plate you have left.

Make your own Ring Toss Game

Step 5. you have finished your ring toss game, we've used 4 paper plates so that 2 people can have 2 each but you can use as many as you would like.

Don't forget to share what you have created with us
