

Make your own Bumblebee

Step 1. Gather your materials, you will need some card, scissors, a pencil, colouring pens and some glue..

Step 2. Draw a bumblebee onto the piece of card, colour it in and then cut it out.

Step 3. Cut out a strip of card, then wrap it round two of your fingers and glue it into a circle. See picture.

Step 4. Glue the circle onto the back of the bumblebee.

Make your own Bumblebee

Step 5. You have finished your bumblebee, don't forget to share what you have created with us
