

Make your own Handprint Bunny

Step 1. Gather your materials, you will need a piece of card, scissors, a pencil and some coloured pens.

Step 2. Draw around your hand and then cut it out.

Step 3. Fold the middle finger behind the hand, this creates the ears at the top. Now fold the thumb and the little finger in to the centre, this becomes the bunnies arms.

Step 4. Now use the coloured pens to add decoration to your bunny.
