

Make your own Bunny Bunting

Step 1. Gather your materials, you will need pieces of coloured card, scissors, a pencil, string and a hole punch.

Step 2. Cut out as many bunny shapes that you can from the card, then punch holes at the top for the string.

Step 3. Use some scrap pieces of card to create tails for your bunnies.

Step 4. Thread the string through the bunnies.

Make your own Bunny Bunting

Step 5. You have finished your bunting, don't forget to share what you have created with us
