

Make your own Toilet Roll Flower

Step 1. Gather your materials, you will need a toilet roll tube, some scrap card, coloured pens, a pencil, scissors and glue.

Step 2. Use the pens to colour in the toilet roll

Step 3. Use the scrap card to make some leaves and a flower. Use the pens to decorate.

Step 4. Glue the leaves and flower onto the tube.

Step 5. You have finished your flower, don't forget to share what you have created with us
