

Make your own Japanese Fish Kite

Step 1. Gather your materials, you will need a toilet roll tube, tissue paper, coloured pens, a hole punch, string, glue and scissors.

Step 2. Use the coloured pens to colour in a quarter of the tube. See picture.

Step 3. Use the tissue paper to cut lots of fish scales. Then stick them around the tube, see picture.

Step 4. Cut strips of tissue paper and stick them to the bottom of your fish.

Make your own Japanese Fish Kite

Step 5. Make a hole in the head of the fish then attach the string.

Step 6. You have finished your fish kite, don't forget to share what you have created with us
