

Make your own Ladybug

Step 1. Gather your materials. You will need a toilet roll, scissors, coloured paper, coloured pens, glue.

Step 2. Use the pens to colour the toilet roll.

Step 3. Draw a circle and cut it in half, add the dots for the ladybugs wings.

Step 4. Make some eyes and some feelers, use the glue to stick the wings, eyes and feelers on to the ladybug.

Step 5. You have finished your ladybug. Why don't you share what you have made with us **#SpikeDinosAdventures**
