

Spike's Christmas Activity 5

#SpikeDinosAdventures

Welcome to a themed Spike Dino page for children (and adults)

Welcome to Spike's fifth Christmas info-activity page.

Spike is a fan of the Christmas elves. He knows their job is to help Father Christmas read the letters, make presents, clean the sleigh and looking after the reindeer! Spike really wanted to help this year so he has now got an elf hat for and a special Father Christmas outfit. He also found out that in some countries it is thought that Father Christmas has just 6 elves. In others he has 9 or 13. And they are all very clever!

Some of the elves who have the most important jobs are;

1. Alabaster Snowball, the Administrator of the Naughty & Nice list.
2. Bushy Evergreen, the Inventor of the magic toy-making machine.
3. Pepper Minstix the Guardian of the secret of where Father Christmas's village is located.
4. Shiny Upatree the oldest friend of Santa and the cofounder of the secret village in Lapland.
5. Sugarplum Mary the Head of the Sweet Treats, she is also known as Mary Christmas. She is an assistant to Mrs Claus and helps her in the kitchen.
6. Wunorse Openslae the Designer of Father Christmas's sleigh and responsible for its maintenance. He also looks after the reindeers and it is believed that his reindeers reach speeds faster than Christmas tree lights.

Activity; Make your own Father Christmas - instructions on the next page.

Make your own Father Christmas

Step 1. Gather your materials, you will need a paper plate, some red card, a pencil, black pen, glue and scissors.

Step 2. Cut the plate in half

Step 3. Cut a large triangle out of your red card, this will become the hat and body, make sure you use the whole sheet.

Step 4. Using one half of the plate cut out a circle to sit on top of the hat.

Step 5. Using the piece of plate that is left cut into the edge to create the beard, then stick it on to the hat - see pic

Step 6. Use the pen to draw some eyes and the scrap card that is left to create a nose.
